Location: Tirur, Kerala

SUMMARY

Electrical and ELV Design Engineer with 2 years of experience in electrical and ELV design. Detail-oriented professional with strong focus on accuracy, quality, and technical standards. Adaptable team player committed to continuous learning and professional development. Eager to apply technical expertise and contribute effectively to engineering projects.

WORK EXPERIENCE

Junior Electrical and ELV Design Engineer

eccentre MEP consultancy, calicut | On-site | January 2025 – Present

- Electrical & ELV Design for residential, apartments, hospitals, hotel and resort projects.
- Preparation of electrical lighting and power layouts.
- Electrical load calculations and Single Line Diagrams (SLDs).
- Preparation of DB schedules and electrical documentation.
- BOQ/BOM preparation, material take-offs, and electrical estimation.
- ELV system coordination and multidisciplinary MEP coordination.
- Preparation of ELV layouts and BOQ.
- MEP coordination layouts.
- Proficient in AutoCAD and Revit for MEP design and documentation.

EDUCATION

PG Diploma in MEP

SMEC Labs, Kochi | Offline | Completed: December 2024

PG Diploma in MEP, completed in December 2024, covering Electrical, HVAC, Plumbing (PHE) and Fire Fighting systems with a primary focus on Electrical Design and multidisciplinary coordination.

Diploma in Electrical and Electronics Engineering

Seethi Sahib Memorial Polytechnic College, Tirur | Graduated: June 2024

Completed a 3-year Polytechnic **Diploma in Electrical & Electronics Engineering** with a CGPA of 7.8/10, developing a strong foundation in electrical systems, power systems, electrical machines, electronics, and engineering fundamentals.

SOFTWARE SKILLS

Proficient in **AutoCAD, Revit, and MS Office**, with practical experience in electrical drafting, MEP design documentation, BOQ preparation, quantity take-offs, and technical schedules.

INTERNSHIP

Completed industrial training at an **110kV electrical substation in Adimali, Idukki**, gaining practical exposure to substation operations, power distribution, electrical equipment, protection systems, switchgear and safety procedures.

ADDITIONAL INFORMATION

- **Languages:** English, Malayalam, Hindi
- **Additional Certification:** National Service Scheme (NSS), Internship Training Program by IEDC and Placement Cell, ASAP Training program.
